

COMPANY OVERVIEW

eBay owns and operates eBay.com, a person-to-person and business auction community on the Internet, with an estimated 88% market share. For the fiscal year 2002, revenues totaled \$1.2 billion.

eBay has around 62 million registered users who can buy and sell goods in more than 18,000 categories ranging from toys to antiques. As well as owning 60 smaller, location specific marketplaces in the US, eBay has also gained a foothold in Europe, Latin America, and China through a series of acquisitions and investments. eBay is headquartered in San Jose, California.
